YOUTH-FOCUSED PROGRAMS

Youth Programming

Young Philadelphia residents, ages 12–24, can easily connect to a range of programs that support career exploration and skill building through paid work-based learning experiences, community service projects, mentoring, and job shadowing, preparing them to successfully enter the workforce.

Career Connected Learning PHL

Step into your future with [Career Connected Learning PHL](#) (C2L-PHL). C2L-PHL makes it easy for youth ages 12–24 to find summer and year-round opportunities, connect with employers and programs across the city, and access paid work-based learning experiences that prepare you to learn, earn, and grow, both personally and professionally. Youth ages 12–24, create a C2L-PHL account [here](#) for announcements, including the opening of summer applications.

RoadTrip Nation

Explore what's possible with [Roadtrip Nation](#). This free on-line hub helps local learners and career seekers identify their skills, explore in-demand industries, and connect to education, training, and career opportunities across the region.

APPRENTICESHIP PATHWAYS

ApprenticeshipPHL

ApprenticeshipPHL

Explore pre-apprenticeship and apprenticeship programs designed to help you gain hands-on experience and build a long-term career.

These opportunities are supported by a regional collaborative focused on expanding access to quality training through [ApprenticeshipPHL](#).
