

In support of National Apprenticeship Week, the Workforce Development Boards of Bucks & Montgomery Counties are proud to present...

# Pathways to Registered Apprenticeship and the Careers of Tomorrow for Youth & Young Adults

*Featuring representatives from K-12, Community College and Workforce Development Boards*

It is never too soon for youth and young adults to start planning post-high school careers that enable financial independence and fulfillment. Many opportunities are available to start working and earning college credits right out of high school, including local Registered Apprenticeships in business, manufacturing, the trades, construction, biomedical research, information technology, and more!

The webinar is on Tuesday, November 15th at 10am and again at 7pm. Please register to attend either session.
